REGION OF THE YEAR

Exit Realty of the Carolinas was awarded the prestigious "Region of the Year" award at Convention held in Nashville, Tennessee. Exit of the Carolinas is one of 56 Exit Realty franchise regions in the United States and Canada and includes both North Carolina and South Carolina. At a time when everyone can agree that there's been a downward trend in the real estate market, Exit Realty of the Carolinas has sold franchise rights to nine exclusive territories in North and South Carolina since January 2008. Exit Realty offices have opened their doors or will be opening their doors in those areas before the end of November. "What seems to be exciting people about Exit Realty," explains Michael Washburn, "is the understanding that Exit has a better way to operate a real estate brokerage allowing the a Broker to structure his office environment that fosters agent growth and productivity in any market". Thanks to everyone in the region that helped make this possible.
